Foreword
By Dr. Russell J. Benoit

Students it is my sincere pleasure to present this course material to you. This work was inspired when I read a book written by Dr. Mike Murdock on the Laws of Recognition.

This anointed book opened up my understanding to many basic truths that was right in my face all the time and I did not even noticed them. As I began to implement these valuable tools in my life, my faith immediately began to grow, I not only started to recognize the gifts that God had placed within me, but I also began to realize the special gifts that God had placed inside of other people for me to Love, Appreciate, Respect, and Utilize to help further the Gospel of the Lord Jesus Christ.

It is my sincere hope that as you prayerfully go through this course that you too will realize the power of Recognition and begin to apply these simply truths to your life and start prosperous even as you soul prospers. This is the will of God for Your Life. Don’t you miss it.

For too long God’s People have live by the Traditions of Men and by the lies of False Prophets that did not have nothing but their own interest in mind.
